***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: in combination with other limitations of the claims, the cited prior arts fail to teach the programmable interconnection connects the first current-carrying terminal of the memory transistor to the first bit node when programmed in a first state, and connects the first current-carrying terminal of the memory transistor to the second bit node when programmed in a second state, as recited in amended claim 1; the cited prior arts also fail to teach the plurality of memory cells further includes a programmable interconnection interposed between the second current-carrying terminal of the memory transistor and the first and second power supply nodes, as recited in amended claim 8; the cited prior arts also fail to teach each memory cell further includes a configuration bit terminal, each configuration bit terminal coupled to at least one configurable logic resource in the array of configurable logic resources, as recited amended in claim 22; and the cited prior arts also fail to teach a configuration bit node connected to one of the plurality of configuration bit terminals of the configurable logic resources and providing a configuration-bit signal, as recited in claim 26.

2. Claims 1-4, 6-17, 22, and 24-28 are now in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vibol Tan whose telephone number is (571) 272-1811. The examiner can normally be reached on Monday-Friday (7:00 AM-4:30 PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Pascal can be reached on (571) 272-1769. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
